

Heather Saiki Health Insurance Services:

Quarterly Buzz • Spring 2020

What's the "Buzz" in the Saiki Household?

The boys are busy with Soccer and Snowboarding, which means we are busy being their fulltime Taxi Drivers!

Attention Employers:

Did you know we offer Workers Compensation Insurance?

EMPLOYER GROUP PLANS: Most groups renew October through January. You can add benefits such as dental, vision, life, and AFLAC to the benefits you offer. You can also change carriers or add plans. Some workers compensation carriers give you a discount if you have a group health plan. Contact me to see if you can get this discount. I will reach out to set up appointments to discuss your renewals.

Life, Disability, Long-Term Care, Dental, Vision, Medishare Memberships and Travel Insurance can be purchased **anytime!**
Call me for a quote!

The "Buzz" in Insurance...

OPEN ENROLLMENT ENDED JANUARY 31st but...

You can still get insured through Covered CA if you didn't know about the penalty for not being insured in 2020. **Please call me ASAP if you need to get enrolled: 530.604.0549**

MEDICARE- If you are over 65, you can change your Medicare supplement plan using the birthday rule. Please contact me to make sure you have the right plan for you in 2020.

Ask me about FREE Gym memberships, vision/hearing discounts, TELEDOC and FREE Life Alert Type devices.

COVERED CA- If you have insurance through Covered CA, please remember to update your household income and size for 2020. Please email your request to change your family details.

The penalty for not having insurance coverage will be in force for 2020.

Turning 26 or 65? Contact me three months before your birthday so we can have your new insurance in place by your birth month. You don't get automatically enrolled into medicare.

*Thank you for your business! Here's wishing you a spring full of laughter and fun! Don't forget to check out my website for useful information:
